Club membership fee regulations

§ 1 General provisions

These membership fee regulations do not form part of the club statutes (the statutes are available for inspection on the club website). They govern members' obligations to pay membership fees, as well as charges and special assessments. Pursuant to § 7 of the statutes, the club's full board may amend them.

§ 2 Principle of solidarity

1. Membership fees are an essential part of the club's funding. The club depends on all members paying their fees in full and on time. Only then can it fulfil its obligations to its members.
2. The amount payable depends on the member's membership category.

§ 3 Decisions

1. Membership lasts for at least one financial year, which corresponds to the calendar year (1 January to 31 December).
2. The specified amounts are collected once per quarter by direct debit.
3. The club's account is held with Sparkasse Offenburg:
IBAN: DE13 6645 0050 0004 8839 73
BIC: SOLADES1OFG
4. A reminder fee of €10 is charged for each reminder regarding overdue membership fees.

§ 4 Membership fee amounts

1. Sections, membership categories and fees per quarter:
 - Passive member: €6
 - American Football Seniors: €65 + 1 hour of club work
 - American Football Seniors, reduced rate: €50 + 1 hour of club work
 - American Football Juniors (under 18): €32.50
 - Saphir Cheerleading Seniors: €65
 - Saphir Cheerleading Seniors, reduced rate: €50
 - Saphir Cheerleading Juniors (under 14): €40
 - Cheer Squad Cheerleading Seniors: €50
 - Cheer Squad Cheerleading Seniors, reduced rate: €40
2. The member's category on the due date determines the fee payable.
3. School pupils, university students and apprentices may apply for a reduced rate. The reasons and supporting evidence must be submitted to the board before membership begins and before the start of each new financial year.
4. Club work is credited against the membership fee at €15 per hour. Qualifying hours are voluntary activities ordered and approved by the board. Routine tasks, such as tidying the training ground after training or preparing for a game day, do not qualify. If a member submits proof of voluntary work to the board at the end of a financial year, €15 for each qualifying hour worked during that year, up to a maximum of €60, will be credited back against the final membership fee debit for that year.

Under these regulations as currently worded, the crediting and remuneration of club work applies only to members of the American Football Seniors section.

§ 5 Leaving the club

1. Under § 5 of the club statutes, members leave the club by sending written notice of termination to the club's business address. Membership can end only at the end of a year, subject to two weeks' notice. Notice received later will take effect only in the following year.
2. Simply staying away from training or telling a club representative verbally is insufficient to terminate membership.
3. The obligation to pay membership fees ends when membership ends.

§ 6 Data processing

1. Membership fees are administered electronically. The member data required for this purpose (name and bank details) are stored in accordance with the GDPR.
2. By signing the membership application, I give AFC Offenburg Miners e. V. permission to use and publish photographs and/or video recordings for the club's promotional purposes on social media channels, its website and/or in print media.

§ 7 Entry into force

These membership fee regulations take effect on 1 July 2025.
